EXECUTIVE ENGINEER
MINIMATA BANGO DAM DIVISION NO. 03
MACHADOLI (C.G.)

REQUEST FOR EXPRESSIONS OF INTEREST **For "Geophysical Investigation"**

Name of work: -"Geophysical Investigation and Proposal of Remedial Measures for Safety of Masonry / Concrete Dam of Minimata (Hasdeo) Bango Dam, Machadoli, Distt.-Korba, Chhattisgarh"

Introduction:

Government of Chhattisgarh is keen towards the safety of Dam structures, due to ageing effect, distresses in the form of seepage through the dam body, leaching in galleries, cracks in NOF / OF Blocks and seepage through inspection and foundation gallery were reported by the Dam safety panel.

General scope of services includes: -

To overcome such short comings detailed study needs to be conducted. A step regarding the study of internal structure of the Masonry/Concrete part of the Dam needs to be conducted as detailed below:

- 3D GPR survey
- L-section Tomography
- Cross face Tomography

for which this request for expression of interest is being issued.

The Executive Engineer Minimata Bango Dam Division No. 03 Macahdoli, Distt:-Korba (C.G.) Now invites eligible firms to indicate their interest in providing the Services. Interested Firms/Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

The time period for completion of services is 3 months excluding rainy season i.e.from 15th June to 15th September.

Criteria of Listing for issue of RFP: -

The interested firms should submit information about the following;

- a) Year of Incorporation
- b) Total experience of the firm (in number of years)
- c) Experience details with similar kind of services with the similar project authorities.
- d) Value of completed similar works in last five years should not be less than 40 lakhs.
- e) Technical capabilities of the firm.
 - I. Firm Should own adequate number of equipment. Minimum requirement is "Seismograph, Sparker, Hydrophone string, Geophones, Communication and Trigger System."
 - II. Firm should have Geo-Physicists working for them.

III. Licenced copy of genuine software for seismic tomography and data interpretation.

f) Firm should have completed similar type of work for at least two dams for last 5 years.

(The Experience of Key experts shall not be evaluated at this stage)

Selection Process: -

The EOI would be evaluated and long-list of qualified firms/organisation would be prepared. The Long-listed firms/organization will be supplied with Request for proposal (RFP) including Terms of Reference (TOR) and will be given adequate opportunity to submit the proposal.

The Physical and Financial capability of the long-listed firms who have submitted the proposal shall be evaluated from the proposals and a short list of the qualified firms will be prepared. The price bid and financial proposals of the qualified shortlisted firms will be opened and evaluated for selection and award of contract.

Application: -

Interested agencies must submit their proposal with non-refundable cost of application for as Rs 5000.00 in the form of D.D. in favour of "Executive Engineer, Minimata Bango Dam Division No.3, Machadoli Chhattisgarh" through speed post/Registered post A/D to the Chief Engineer Minimata (Hasdeo) Bango Project, Water Resource Department, Bilaspur (C.G.)

1. Last date for submission of EOI documents 02/07/2023 till 5:30 PM

2. Date of opening of EOI proposal document 03/07/2023 at 3:30 PM.

Expressions of interest must be delivered in a written form to the address below by speed post by 02/07/2023, EOI submitted in person shall not be accepted.

Further information can be obtained from the office of Executive Engineer, Minimata Bango Dam Division No.3, Machadoli Distt: Korba, Chhattisgarh during office hours (10:00 Am to 05:30 Pm).
